SUBJECT: USG VIEWS FOLLOWING IAEA BRIEFING ON IRANIAN
NON-COMPLIANCE AND WEAPONIZATION-RELATED ACTIVITIES

REF: STATE 19694

Per retel, Political Counselor contacted Julian Juarez, Deputy Director General for UN Affairs in charge of international security issues to brief him on our reaction to the rollout of the IAES report on Iranian non-compliance. Political Counselor raised the points in reftel. Juarez said the GOM had looked at the report and also noted inconsistencies cited in reftel. Juarez said he was aware of Iranian efforts to gloss over the report and said they were to be expected. Mexico continues to believe Iran needs to do a better job accounting for past activities and live up to its current obligations to the UN.
